### SPORTS FUNDING 2016/2017

St Gregory's have been allocated a 'Sports Funding Grant' of approximately £8,895. This money must be spent on improving the provision of PE and sport for the benefit of pupils registered at the school so that all pupils develop healthy lifestyles. School governors evaluate the impact this funding has on pupils' PE and sport participation and attainment. This year's plan is to spend the sports premium to deliver substantial improvements to our PE facilities in school. This will involve building new PE stores and upgrading current resources.

Activity	Cost	Impact
Substantial improvement to existing PE store to facilitate PE curriculum.	£4,224	Curriculum PE will be greatly enhanced. Quality of resources will be greatly enhanced. Storage of PE equipment will meet H+S regulations and also Fire and Safety regulations.
Substantial improvement to PE equipment including benches and mats.	£2,004	Purchasing this equipment enables children to participate fully during PE lessons.
Substantial investment in outdoor static physical equipment.	£2,667	Purchasing this equipment enables children to be actively engaged during their break and dinnertimes.
Organisation of team games during dinnertimes.	£ 0	Year 5 children organising and leading on the development of games for children in Rec and KS1. One hundred and fifty children every week are actively involved as a result of this initiative.
Total cost = £8,895		

The appointment of specialist curriculum PE teachers will ensure the sustainability of quality improvements in PE curriculum and increase the pupils' participation in sports throughout school. To enable the attainment of children's curriculum PE to improve, the Leadership team need to ensure the infrastructure is in place to facilitate the teaching of higher order skills on site at St Gregory's.

Kind Regards,

Mr P Bates
